

Remember a Loved One

With a Named Endowment

A Sugar Mill Music Festival Named Endowment lets you honor or memorialize a loved one through beautiful music year after year after year. At each Festival, one concert will be specially produced with your honoree in mind, featuring a composer, or instrument, or era of music that he or she most loved.

Your honoree will be identified on the Festival website, on Facebook postings, in emails, on posters and flyers, and in our annual Festival program, as well as through signage and verbally on site.

With your donation of \$10,000 or more, the Festival Board of Directors will dedicate up to 25 percent as needed for the production of the current year's Festival, while investing the remaining 75 percent or more to benefit the Festival annually for all time.

Please provide the following information with your gift:
